

## 3 Step Nose Pore Treatment

**B**eauty Formulas 3 Step Nose Pore Treatment is an innovative program to help you achieve soft, fresh and clear nasal skin. Each step is specially formulated with effective ingredients to leave the skin around your nose feeling cleaner, clearer.

- STEP 1.** Delivers Glycolic Acid to help open the pores and soften the skin to optimise the effect of Step 2 and allow easier removal of dirt and debris.
- STEP 2.** Utilises the purifying power of Charcoal to provide a deep cleanse and help draw out and remove, pore clogging dirt and black heads.
- STEP 3.** Uses the astringent properties of Witch Hazel to begin reducing the pores. Formulated to help lower irritation and care for your skin helping it feel clean, soft and hydrated.
