

Multi-Mask

Beauty Formulas **Multi-Mask Face Treatments** are targeted and tailored skin care for the 3 individual areas of the face. Each specific formula is designed to provide optimum results. A soft, hydrating cream mask and an oil controlling bubble mask for the T-Zone, a deeply absorbing clay mask for the C-Zone and a purifying peel off mask for the U-Zone. Your skin will be left feeling soft, nourished and hydrated. Comes in two variants, for **Dry Skin** or **Oily Skin**.
