

# Eco Friendly Dental Floss and Bamboo Tooth Brush

Beauty Formulas Eco Friendly range includes a **50m Waxed Dental Floss** to help reduce the single use plastic. The floss is provided in cardboard to support recycling, whilst still providing a quality product for healthy teeth and gums. Beauty Formulas **Bamboo Tooth Brush** gives you an alternative eco friendly option for everyday dental care. The tooth brush is made from responsibly sourced bamboo and will decompose in around 6 months.
